EXPERIENCE

Senior UI / UX Designer

Boosta

Oct 2018 – Present · Kyiv, Ukraine

- Led end-to-end UI/UX design for 30+ landing pages across essay writing and gambling verticals — from concept to dev handoff
- Drove +18% conversion growth through iterative A/B-tested UI improvements in collaboration with product and dev teams
- Built a scalable design system from scratch (tokens, components, guidelines) — cut development time by 35% and eliminated design debt across the product
- Created full corporate identity and led company-wide design onboarding — established consistent visual standards adopted across all departments

UI / UX Designer, Graphic Designer

Krokus Agency

Apr 2018 – Oct 2018 · Kyiv, Ukraine

- Redesigned website and mobile app for Nebesna Krynytsia — repositioned the brand digitally within Ukraine's premium water segment
- Delivered 12+ websites and brand identity projects for agency clients within tight deadlines — zero missed deliveries across the engagement

Graphic Designer

Smart Event

Mar 2016 – May 2017 · Kyiv, Ukraine

- Built brand identity from zero: logo, color system, typography, and visual guidelines — delivered a complete brandbook adopted across all company materials
- Produced full visual communication strategy that unified brand presence and supported event sales goals
